

Effortless Compliance for Municipalities

Powered by

Compliance Challenges

Cities with **20,000+ residents** must comply with the **Air Quality Directive 2008/50/EC**, the **EU Biodiversity Strategy 2030**, and the **EU Pollinators Initiative**.

Key Requirements

- ✓ Publish **carbon footprints** – every 3 years
- ✓ Release a **Climate, Air & Energy Plan** – every 5 years

Urban Tree

Our compliance tool

Simplifies reporting

Ensures policy alignment

Supports municipalities, auditors & regulators

Test cities

- ✓ **Aix-en-Provence**
- ✓ **Florence**
